### **READ CAREFULLY AND KEEP FOR FUTURE REFERENCE**

Assembly to be carried out by a competent adult only.

During assembly children should be kept away from the product due to the possible risk of injury.

Do not use the furniture if any part is broken, torn or missing and use only spare parts approved by the manufacturer.

Assemble the furniture on a soft level surface to avoid damaging the product or your floor.

We recommend furniture be assembled near where they will be placed, to avoid moving the product unnecessarily once assembled.

If there is a need to move the furniture, please remove all loose items and have extra hands to help lift the furniture to the desired location. Dragging the furniture will damage both the furniture and the floor.

Regularly check and re-tighten (if necessary) all bolts on furniture that you have assembled yourself.

### **Care and Maintenance of your Furniture**

Avoid placing hot items directly onto the surface unless using a thick insulation material such as placemats or coasters. Heat may lead to discolouration or other damage to the surface of the product.

Use a soft cloth that has been dampened in water to clean the surface of this product. Do not use abrasive cleaners, furniture wax or polish on the surface of this product, as it may damage the surface.
